Mind in Tower Hamlets Newham and Redbridge

We're Mind in Tower Hamlets, Newham and Redbridge (MindTHNR), part of a network of over 100 local minds who tailor trusted mental health services to the community. MindTHNR has been delivering services and support for people living in our community for over 30 years.

We offer a variety of services included Mental Health Support, Well-being Groups, Talking Therapies, Employment Support, Advice and Information, as well as Advocacy services. We strive to provide services that adapt to the dynamic needs of our communities. We believe in collaborating with our communities in the production, design, and delivery of these services.

Our goal is to deliver inclusive services that are accessible to anyone who needs them and to ensure that no one has to face mental health issues alone. We are committed to meeting the diverse needs of our communities and actively advocate for addressing healthcare inequalities to ensure equitable access to services. As an anti-racist organisation, we are dedicated to promoting racial justice within mental health.

Vision, values, purpose and culture

Our Vision

Mind in Tower Hamlets, Newham and Redbridge has a vision of a society where people with mental health and emotional needs are accepted and included without fear of stigma and discrimination. We want to work towards a society where our clients' needs and ambitions are supported. We believe that everyone has the right to access comprehensive services which enable them to reach their full potential and to work towards their recovery.

Our Values

- **Openness**
We are committed to being open, honest and transparent in our work with clients. We strive to enable all communities to access our services.
- **Together**
We work collaboratively in partnership with people with personal experience of mental health and emotional needs to make sure our services are as effective as possible.
- **Responsive**
We tailor our support to the needs of each individual.
- **Independent**
We are an independent third-sector organisation and are fearless in our commitment to campaigning and influencing decision-makers on behalf of our client groups.
- **Unstoppable**
We will not stop campaigning for better mental health services and access for those who need it.

Our Purpose

- **We connect Minds**
We bring people together to make change in their communities.
- **We Support Minds**
We deliver life-changing support.
- **We Change Minds**
We speak out and demand better from policy-makers and the public. We are here to fight for mental health and wellbeing.

Our Culture

Our strength lies in the diversity of our staff and volunteers. Through a listening & learning journey we have taken time to educate ourselves. We are committed to anti-racist and anti-discriminatory practice. This allows us to continue to create the most supportive and culturally competent services for our community. We support each other and our partners, and together build spaces where everyone is embraced, trusted and valued so they can be themselves and fulfil their potential.

Why work here...

Working somewhere you know you are making a positive impact to people's mental wellbeing is incredibly rewarding, but as a Mindful Employer we also want to make sure our benefits reflect our work and that we prioritise and support employees' wellbeing too. Some of the ways we do this is through;

Connection

We have regular social lunches, festivals and celebrations throughout the year, with both our staff and community members.

Flexibility; hybrid Working

We know that providing flexibility supports work life balance, enabling people to prioritise what's important to them around their working day. We have a hybrid working approach and people can work from home two days a week (pro-rated for part time employees)

Taking time away from work

We have a generous 28 days holiday entitlement, plus bank holidays (pro-rated for part time employees)

Beautiful working space (Open House)

When you are in, we have a beautiful open space in East London with an on-site café, where you can meet local community members and see our work in practice

Employee Assistance Programme (EAP) and OH support

You can access 24-hour support via our EAP and if you do need additional support in your role, or returning to work after a period of leave, we can get specialist recommendations from our external Occupational Health provider

Support through National Mind

While we are an independent charity (MindTHNR), we have lots of opportunities and resources available through National Mind

The Service

We believe that everyone has the right to access comprehensive services which enables them to reach their full potential and to work towards their recovery.

Connecting Communities is a service for residents in Tower Hamlets whose lives have been affected by mental health problems.

Our service:

- Connects people to the right service or support
- Actively listens to what people want to do to make positive changes to improve their wellbeing
- Offers practical support to access the right services at the right time based on the options available to each individual
- Motivate and empower people to make changes and keep them going

We have a strong reputation for delivering high quality services and achieving positive outcomes.

The Role

Our Recovery Worker will be an integral part of the 121 floating support service which is an integrated, coordinated and holistic service aiming to support individuals with mental health needs within the community.

You will have a case load of clients to manage their health and wellbeing, maintain independence and identify strengths, goals and aspirations.

Your focus will be reducing social isolation and building social networks of support and signposting clients to local community resources. You will help the team in promoting an environment where service users are experts by their experience.

We are looking to recruit two experienced, creative, and passionate people to join our Recovery and Wellbeing “Connecting Communities” team and contribute towards the project objectives.
